

HSC Mooring Specification

Details are for HSC Mooring Reference # 64

Lat/Long is in format (D)DD.MM.MMM = degrees and decimal minutes.
So "-004" is 4 degrees west of the Greenwich Meridian. This is
consistent with plotted positions shown on the HSC Moorings Layout
web page diagram.

Latest Mooring Tag No Latitude Longitude

Anchor(s) Ground Chain

Swivel Riser Chain

Pennant Flotation Buoy

Depth LWS (metres) Max Boat Size

Notional Price, subject to negotiation with Mooring Owner

For further information or to contact the mooring owner please email

hsc_moorings@helensburghsailingclub.co.uk

The details of the mooring configuration are "as supplied" by the Moorings Contractor. HSC provides these in good faith but cannot be held responsible for any discrepancies.

The exception to this is mooring position (lat/long) which is supplied by the Moorings Contractor but is checked annually and modified by HSC where insufficiently accurate.
